

October 30, 2017

Dear Representative Cummings and Representative Conyers:

We are in receipt of your October 27, 2017 letter to us and four other organizations. We are as troubled as you are at the prospect of foreign government interference in our elections. We can assure you that our company played no role in, and we have no first-hand knowledge of, the events you cite. We have had no contact with, did not provide any information to, and did not receive any information from a foreign government or foreign actor.

As to your other questions, as you know, there are at least three pending investigations by your congressional colleagues, as well as an ongoing proceeding led by the Office of Special Counsel. We hope you can understand that, at this time, we must respectfully decline to produce to you the additional information requested in your letter. If we are asked to, we will respond to those charged with the responsibility of investigating these matters.

Sincerely,

Alex Lundry
